Mr. Coleman,

Thank you for your patience. It looks like we may have to extend the due date for your FOIA request (HQ-FOI-01479-12). We are still waiting on responses from staff in other offices. Our Lead ORD FOIA Coordinator, Abbie Agner is out of the office until Thursday. Could we contact you with an updated status on Thursday to determine the length of the extension?

Leigh,

Thanks for the update. Sorry to hear about the ear, I've been there before. Can you give me an approximate time that you will be responding? I have to pass that info on up the chain of command here.

Thanks, Jesse

Mr. Coleman,

Last week, I had emailed you and said that I would give you a status update on your FOIA request. I am out sick today with an ear infection, so I do not have current information for you today. As of Friday COB, I was still waiting for critical responses from staff. I will contact you when I return to the office.

Thank you for your patience,

Leigh DeHaven

Subject: Question about your FOIA Request (HQ-FOI-01479-12)
Mr. Coleman,

I am coordinating the response to your FOIA request (HQ-FOI-01479-12). The search dates for your FOIA request needs to be clarified. I assume the date is for April 30, 2012 to June 1, 2012 and not, as stated in your request, April 31, 2012 (not a valid date) to June 1, 2012. Please confirm this by return email.

Your request is in process. However, one of the staff people who has responsive documents is out of the office until the end of the week and this will affect the due date of your request (July 18). We may need an extension. I can give you a status on this early next week after a discussion with the staffer.

Thank you,
